

REMARKS

Applicants wish to make an election of Group I, without traverse.

In response to the species election requirement, Applicants elect the compound of Example 6: 3-(3,4-Dichloro-phenyl)-1-(4-methoxy-3-[2-(4-methyl-piperidin-1-yl)-ethoxy]-phenyl)-pyrrolidin-2-one.

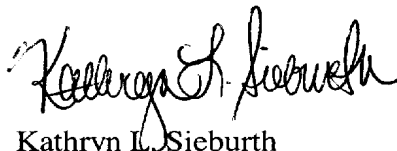

Applicants have elected to prosecute claims directed to a composition of matter. Pursuant to M.P.E.P. §821.04, Applicants request that the method of use claims, which now depend from and thereby include all of the limitations of the base composition of matter/product claims, be rejoined in this application when the composition of matter claims are subsequently found allowable.

Applicants retain the right to file divisional applications directed to the non-elected subject matter.

Authorization is hereby granted to charge any fees which may be required by this paper, or credit any overpayment, to Deposit Account No. 19-2570.

Applicants hereby submit a copy of the United States Patent and Trademark Office Notice, updated November 5, 2007, advising that the Claims and Continuations Rules and Clarifications are not effective as of the November 1, 2007 date. Therefore, Applicant understands the 5/25 rule does not apply as noted in the Office Action Summary dated November 7, 2007.

Respectfully submitted,
